

Texas Division of Emergency Management State Situation Report

New Information in Blue Text

Event Name	23-0017 15Jun Severe Weather
Date	June 27, 2023
Time	10:00 AM
Operational Period	8:00 AM June 26 to 8:00 AM June 27, 2023
Report Number	12

Regions Affected	
TDEM Regions Affected	1 & 5
DCs Active	1, 5, 6

STATEWIDE CURRENT SITUATION: On June 26, Governor Abbott [announced](#) the Texas Health and Human Services Commission (HHSC) received federal approval for Supplemental Nutrition Assistance Program (SNAP) recipients in a dozen Texas counties to apply for replacement benefits for food lost or destroyed in severe storms occurring June 14-16.

SNAP recipients residing in the following counties are eligible to receive replacement benefits: Camp, Cass, Franklin, Gregg, Harrison, Marion, Morris, Ochiltree, Panola, Titus, Upshur, and Wood.

Eligible Texans can request replacement food benefits by dialing 2-1-1 and selecting option 8 or by downloading [Form H1855](#) (Affidavit for Nonreceipt or Destroyed SNAP Benefits) on the HHSC website. Completed forms should be mailed to Texas Health and Human Services Commission, P.O. Box 149027, Austin, TX, 78714-9027, or faxed to 1-877-447-2839.

SNAP recipients with food lost or destroyed by the storms on June 14-16 must apply for replacement benefits by July 14. Replacement benefits will be placed on recipients' Lone Star Cards within two business days. For more information, visit [HHSC's Receiving Disaster Assistance webpage](#).

Administered by HHSC, SNAP is a federal program that provides food assistance to approximately 1.6 million eligible, low-income families and individuals in Texas. Those in need can apply for benefits, including SNAP and Medicaid,

at YourTexasBenefits.com or can use the Your Texas Benefits mobile app to manage their benefits.

To find local resources, such as food or shelter, dial 2-1-1 and select option 1.

On June 23, Governor Abbott updated the state's disaster declaration to include additional Texas communities impacted by damage to homes and businesses caused by severe weather. This disaster declaration will continue to support response and recovery efforts by local and state officials in 23 Texas counties, including two added on June 23: Montgomery and Leon counties.

In response to a severe weather pattern that began in late May and has brought heavy rainfall, flash flooding, damaging wind, large hail, and tornadoes to communities across the state, the Texas State Operations Center remains at Level II (Escalated Response) at the Governor's direction to support requests for assistance from local officials.

Flooding began to impact counties in the Texas Panhandle, High Plains, and South Plains on May 27, causing widespread damage throughout the region. Governor Abbott issued a disaster declaration to address the impacts of flood damage to homes, businesses, and the agriculture industry. The Governor also directed TDEM to deploy the following state emergency response resources to support flood response operations:

- **Texas A&M Engineering Extension Service (Texas A&M Task Force 1):** 2 Swiftwater Boat Squads.
- **Texas A&M Forest Service:** 2 Texas Intrastate Fire Mutual Aid System Strike Teams comprised of High-Profile Vehicles and 2 Boat Teams.
- **Texas Department of Transportation:** Personnel to assist with traffic control and road closures.
- **Texas Parks and Wildlife:** Game Wardens and Boat Squads.
- **Texas Department of Public Safety:** Helicopters with hoist capability.
- **Texas A&M Engineering Extension Service (Public Works Response Team):** Personnel to support flood pump operations.
- **Texas National Guard:** 2 Ground Transportation Platoons with High Profile Vehicles.
- **Texas Commission on Environmental Quality:** Air/water/wastewater monitoring.
- **Texas Animal Health Commission:** Personnel to provide livestock support.

This weather pattern continued to impact the state, as severe thunderstorms brought large hail, damaging wind, and tornadoes to multiple Texas communities over the past few weeks. Governor Abbott directed TDEM to deploy state emergency response assets to the town of Perryton immediately following a devastating tornado in Northwest Texas. Additionally, the Governor issued a state disaster declaration for communities in Northwest and Northeast Texas impacted by damaging winds and severe storms that caused significant damage to electricity infrastructure. On Saturday, following severe storms and tornadoes in Ochiltree and Cass counties, Governor Abbott held a briefing with state and local officials in Perryton where he provided an update on the state's ongoing response and recovery efforts.

On June 18, the Governor provided an update on the state's ongoing response to severe storms. Governor Abbott updated the state's disaster declaration on Monday to add East Texas communities that suffered severe weather impacts and significant damage to electric infrastructure across the region, as local electric providers worked around the clock to restore power. Additional assets were deployed on Wednesday, and additional counties were added to the disaster declaration as impacts of the severe weather continued. Following severe storms and tornadoes causing damage to Matador and counties in the South Plains and Big Country regions, the Governor directed TDEM to mobilize additional response and recovery resources, and he added six Texas counties to the disaster declaration yesterday.

The following state resources remain engaged to support severe weather response and recovery operations across the state:

- **Texas Department of Transportation:** Personnel and heavy equipment for roadway debris clearing, traffic control, and sign and signal repairs.
- **Texas A&M Engineering Extension Service (Texas A&M Public Works Response Team):** Personnel and equipment to support utility, water, and wastewater treatment needs, support electricity infrastructure repair efforts, and operate the state resource staging area in Perryton.
- **Texas A&M Forest Service (TAMFS):** Texas Intrastate Fire Mutual Aid System Strike Teams, tactical water tenders, Incident Management Teams to support local firefighting capability and points of distribution and Saw Crews.
- **Texas Division of Emergency Management:** Emergency management personnel to support local emergency operations centers, food storage and hot meal distribution, and to coordinate the establishment of Points of Distribution (PODs) across the impacted counties for members of the community to pick up water, ice, and Meals Ready to Eat (MREs); Operations Technology personnel to support resource needs; Response and Recovery personnel to conduct damage assessments and coordinate requests for assistance; activated state disaster contracts for emergency resource transportation and fuel for generators; coordination of cellular connectivity for first responder communications; State

Mass Care Coordination; base camp operations to house responding crews; and a resource staging area to support impacted jurisdictions.

- **Texas Department of State Health Services (Texas Emergency Medical Task Force):** Mobile Medical Unit to support local hospital operations, Medical Incident Support Teams, ambulance buses, and ambulances supporting local hospitals, nursing homes, and emergency medical services.
- **Texas Health and Human Services Commission:** Utilizing contracts for local ice and water needs.
- **Texas A&M Engineering Extension Service (Texas A&M Task Force 2):** Search and Rescue Teams.
- **Texas Parks and Wildlife Department:** Game Wardens assisting with supply delivery and security in affected areas.
- **Texas Commission on Environmental Quality:** Personnel and equipment to assist with air/water/wastewater monitoring.
- **Texas A&M Agrilife Extension Service:** Disaster Assessment and Recovery Agents to assist with damage assessments and County Extension Agents supporting disaster needs assessments.
- **Public Utility Commission of Texas:** Working with utility providers to send additional crews to impacted areas to repair damaged electric infrastructure.
- **Texas Department of Public Safety:** Texas Highway Patrol providing security at points of distribution and Driver License Disaster Recovery Unit providing driver licenses at the Community Resource Center in Perryton.
- **Texas National Guard:** Personnel and high-profile vehicles for movement of emergency supplies and to support points of distribution and resource staging areas.
- **Texas A&M Veterinary Emergency Team:** Providing support to local veterinary services in impacted communities.
- **Texas Animal Health Commission:** Field personnel assisting with livestock hydration.

Last week, the Governor directed TDEM to request joint disaster damage assessments with the Federal Emergency Management Agency (FEMA) and the U.S. Small Business Administration (SBA) to determine the state's eligibility for federal disaster assistance for Texans whose properties were affected by flooding and severe weather. These damage assessments are in process and state personnel are working alongside federal and local response and recovery personnel to quickly determine

whether these damages meet the federal threshold requirements for various forms of federal disaster assistance for impacted individuals and communities. Impacted Texans are encouraged to report storm damage using TDEM's Individual State of Texas Assessment Tool (iSTAT) self-reporting damage survey to assist emergency management officials identify resource needs and determine the state's eligibility for various forms of federal disaster assistance. The survey is available in English and Spanish online at damage.tdem.texas.gov.

Additionally, with another round of severe storms in the forecast for the northern part of the state today, Texans are encouraged to remain weather aware and monitor local weather reports.

Extreme heat remains an ongoing threat, and Texans are urged to implement measures to stay safe in triple-digit temperatures. A list of cooling centers opened by local officials is available at tdem.texas.gov/cool.

[Read the Governor's updated disaster declaration.](#)

OPERATIONAL PRIORITIES:

1. Protect life and property.
2. Support rapid & effective response.
3. Collect and disseminate accurate incident information to improve decision-making.
4. Accurately track incident costs associated with assigned resources for cost recovery.

Region 1 (Includes DDCs 4, 5, 6, and 22)

DDC 5 – Mt. Pleasant (Includes: Bowie, Cass, Delta, Franklin, Hopkins, Lamar, Morris, Red River, and Titus Counties) Reduced their activation level to Level III on June 24.

Cass County: TDEM has coordinated with local officials and Voluntary Organizations Active in Disasters (VOAD) to undertake disaster assessments of the damaged areas.

Hopkins County: Hopkins County submitted a disaster summary outline (DSO) on June 20.

Morris County: There are three lift stations operating on generator power. A water line in Lone Star that had been previously repaired broke again, water had to be shut off and is currently being repaired.

Titus County: The Titus County Judge issued a disaster declaration on June 17.

DDC 6 – Tyler (Includes: Anderson, Camp, Cherokee, Gregg, Harrison, Henderson, Marion, Panola, Rains, Rusk, Smith, Upshur, Van Zandt, and Wood Counties) The DDC EOC is activated at Level III

Camp County: Camp County submitted a Disaster Declaration Extension on June 23.

Panola County: Panola County submitted an amended Disaster Declaration on June 26. [The Texas Commission on Environmental Quality \(TCEQ\) has approved Panola County's permit for a disaster debris burn site.](#)

Rusk County: TAMFS Saw Crews were requested to assist with debris clean up and clearing roads and utilities.

Smith County: The city of Winona has issued a Boil Water Notice due to not enough power at treatment plant to maintain pressure.

Region 5 (Includes DDCs 1, 2, 3, and 7)

DDC 1 – Amarillo (Includes: Armstrong, Briscoe, Carson, Castro, Childress, Collingsworth, Dallam, Deaf Smith, Donley, Gray, Hall, Hansford, Hartley, Hemphill, Hutchinson, Lipscomb, Moore, Ochiltree, Oldham, Parmer, Potter, Randall, Roberts, Sherman, Swisher, and Wheeler Counties) DDC EOC is activated to Level II.

Motley County: [Motley County submitted a Disaster Declaration Extension on June 26.](#) Lubbock County deployed their Mobile Command Vehicle and Communications Trailer to Matador, Motley County. A Volunteer Reception Center (VRC) and a donation collection point were established at the Morris County Show Barn.

Ochiltree County: [Trench de-watering of the new debris site in the dump is complete. Construction will continue with expected completion expected on June 27. All three FirstNet SATCOLT assets in Perryton were released as communications have been re-established.](#)

DDC 7 – Abilene (Includes: Brown, Callahan, Coleman, Comanche, Eastland, Fisher, Haskell, Jones, Kent, Knox, Mitchell, Nolan, Runnels, Scurry, Shackelford, Stephens, Stonewall, Throckmorton, and Taylor Counties)

Fisher County: Submitted a Disaster Declaration on June 22.

Kent County: Kent County has submitted a Disaster Declaration and a Letter to the Governor on June 23.

Operational Shelter Location:

Former Children's Home
Shelter and Cooling Center
925 N. Main Street
Jayton, Texas 79528
Expected Shelter Count Overnight: 4

Mitchell County: Mitchell County has issued a boil water and conservation notice, due to a drop in pressure. They are actively repairing the issues, unknown what the cause or duration of boil water notice at this time.

Stonewall County: Stonewall County issued a disaster declaration on June 22.

RESPONDING STATE AGENCIES/ORGANIZATIONS REPORTS

Texas Division of Emergency Management, Texas A&M University System (TDEM):

TDEM Communications Coordination Group (CCG): The CCG partners continue to prepare resources to support communications operations / outages that have occurred because of the severe weather. In the city of Lone Star in Morris County, there was a cellular outage impacting Verizon customers. A technician from Verizon and a generator were dispatched and repairs are underway.

TDEM Mass Care:

State Volunteer Agency Liaison (VAL): TDEM has 213 cooling centers across the state and can be found on the TDEM website at: www.TDEM.Texas.gov/cool

The ISTF staff continue to support locals in Northeast Texas, with damage assessments, volunteer/donation management.

TDEM Recovery: TDEM Recovery is monitoring damage submissions in iSTAT and pSTAT.

As of 8:00AM Sunday morning, there were a total of 2,317 iSTAT submissions with 383 of those reported as destroyed, 513 as major, 605 as minor, and 830 as affected. Additionally, 20 damage submissions have been reported in pSTAT from the city of Perryton with a cost estimate of \$5,359,422.

Affected Texans are being encouraged to self-report any property damage as soon as possible. Texans seeking to submit a damage survey should visit www.damage.tdem.texas.gov. Sharing pertinent details and photos of damage will assist emergency management officials in the preliminary damage assessment process.

As a reminder, reporting damages using the iSTAT or pSTAT is a voluntary activity, is not a substitute for reporting damage to your insurance agency and does not guarantee disaster relief assistance.

Texas A&M AgriLife Extension (AgriLife): Six DAR and CEA Strike Team members continued conducting damage assessments in DDEOC 5. Two DAR agents continued providing DDEOC support to DC5 and DC6. A STAR was received and approved for up to three Extension Agent/DAR Strike Team members to assist with managing

donations in Matador. They will begin work on Monday, June 26. Two County Extension Agents assisted with sorting donations on June 24 in Matador.

Texas A&M Engineering and Extension Service (TEEX) Texas Task Force – Two (TX-TF2): TX-TF2 completed all search and rescue operations in Matador and Motley County. Local officials designated TX-TF2 as excess at 7:00PM June 23. Resources are demobilizing to home station. Overhead personnel are assisting with base camp operations in Region 1, Districts 5 and 6.

Texas A&M Engineering and Extension Service (TEEX) Texas Public Works Response Team (TX-PWRT): Region 5: TX-PWRT installed a culvert under the entrance to the landfill for improved drainage. All water that was ponding in the new landfill cell has been removed. Efforts are being made to remove the muck and complete construction of the new cell. TX-PWRT expects to have the work completed on June 27. TxDOT crews will begin to collect storm debris on June 27 and utilize the new debris cell at the dump for the disposition of disaster debris.

Texas A&M Forest Service (TAMFS): TAMFS, TIFMAS, and AHIMT Resources are engaged and supporting Perryton, Matador, and TDEM Region 1. TAMFS continues to reevaluate the footprint of current resources and will downsize according to the operation.

Region 5: One Incident Management Team is on site at Perryton to assist with IAP development, resource management, and establishment of incident objectives from the local stakeholders. One Incident Management Team is assigned to Matador to assist with IAP development, resource management, and establishment of incident objectives from the local stakeholders.

Public Utility Commission of Texas (PUC): Restoration from the events over the last 10-12 days is finally winding down and utilities are sending their final outage reports indicating that they're returning to normal operations.

Texas Animal Health Commission (TAHC): TAHC livestock inspectors remain in contact with local officials onsite and ready to provide support where needed, as assessments continue. The TAHC SOC Representative is participating in weather calls, monitoring WebEOC, submitting situational reports, and attending all necessary meetings.

Texas Commission on Environmental Quality (TCEQ): TCEQ continues to have staff available to respond to drinking water and wastewater issues. Staff are also available to provide technical assistance on temporary debris management operations and review and approve temporary debris management applications. TCEQ is tracking six drinking water systems that are on a Boil Water Notices (BWN). TCEQ has approved four temporary debris management sites (TDMS).

Texas Department of Housing and Community Affairs (TDHCA): TDHCA staff and TDHCA-funded community action agency (Panhandle Community Services) both

serving at Perryton Community Resource event on June 23-24, 2023, at Perryton High School. TDHCA assisted storm victims with filling out applications for assistance with food, gas, clothing, lodging, and rental assistance. They have also assisted storm victims with hygiene kits, toiletries, and other health services incidentals.

Texas Department of Public Safety (DPS) Texas Highway Patrol (THP):

Troopers continue to conduct moving patrol efforts throughout the affected areas to prevent theft and looting. THP is assisting at several roadblocked areas. DPS Troopers are also escorting the power companies into the area. Law enforcement will focus on anti-theft prevention and area security through the night hours. DPS personnel responded to the city of Matador due to the touchdown of a tornado.

Texas Department of Information Resources (DIR): DIR is continuing to monitor the situation. No request for network or technology has been made at this time.

Texas Department of State Health Services (DSHS): Emergency Medical Task Force (EMTF): As of June 26, - EMTF in Perryton, NE TX, and Matador has had total of 1,102 encounters, 187 treatments, and 169 transports.

Texas Department of Transportation (TxDOT): TxDOT continues pumping operations in the Amarillo area. A water barrier was installed to allow for pumping into Playa Lake on the west side of Amarillo. TxDOT crews and equipment are prepared for the surge to clean up the city of Perryton streets. Approximately 75 pieces of equipment deployed on Tuesday June 27 to begin debris collection and disposal. TxDOT crews in Jayton, Roby, and Matador cleared debris, downed trees, and provided traffic control because of recent storms. TxDOT has been providing traffic control including portable message boards to PODs / local information in Regions 1 & 5.

Texas Health and Human Services Commission (HHSC): HHSC staff are actively monitoring the situation and supporting impacted community members.

Texas Information and Referral Network (TIRN) 2-1-1 continues distributing information about cooling shelters and other related resources as needed.

Texas Military Department (TMD): TMD has demobilized four Ground Support Units (GSU) with a Headquarters (HQ) Mission Ready Package (MRP), a BMNC, and one Ground Transportation Platoon (GTP) that supported the severe weather response affecting the State of Texas.

Texas Parks and Wildlife Department (TPWD): TPWD has Texas Game Wardens prepared to respond to areas affected by the severe weather event in Perryton and support search & rescue as needed. TPWD Game Wardens are continuing to assist with security at land fill to help stop illegal dumping.

Volunteer Organizations Active in Disaster (VOAD)

Texas Baptist Men (TBM):

Region 1:

Gilmer/Lone Star – The deployment for the tornadoes in the Gilmer/Lone Star area is continuing and expanding. All volunteers are staying at First Baptist Gilmer. Public Feeding has been completed. TBM has deployed an Incident Management Team, Asset Protection, Volunteer Feeding, Chainsaw, Heavy Equipment, Man-Lifts, Shower/Laundry-Volunteers, and Shower/Laundry-Public units. TBM has requested assistance from Louisiana, and they will be providing two (2) chainsaw teams working under TBM direction. TBM has processed 176 work requests and cleared 64. There are currently 48 volunteers on site.

Region 5:

Perryton - The deployment for the Perryton tornado is continuing and running smoothly. All volunteers are staying at First Baptist Church. TBM has deployed an Incident Management Team, Chainsaw, Assessments, Asset Protection, Box unit, Day Volunteers, Electronic Support, Feeding, Flood Recovery, IMT, Man-Lifts, Shower/Laundry, Heavy Equipment units and a Temporary Roof Unit. TBM deployed a childcare unit to assist with childcare during the scheduled MARC. Volunteer and Public Feeding continues as well as Volunteer and Public Shower/Laundry Services.

Matador - TBM has completed all assigned work and all volunteers and units have returned home. There was an overflow of skid steers and volunteers from the surrounding communities leaving the community able to take care of all its needs.

American Red Cross (ARC): The ARC continues to assist impacted families in Amarillo, Matador, Perryton and in East Texas. Client casework is continuing.

Southern Baptist Texas Convention (SBTC):

Region 1: In Hawkins, a shower/laundry unit with support remains and in Winnsboro a shower/laundry unit with support, utility support unit, and bunk house remain to aid the community.

Region 5: SBTC has continued support of Perryton with a Feeding Unit, Laundry/Shower Unit with support, 2 crew cooling trailers, an IMT, and recovery unit to aid debris operations.

On June 25, 216 meals were served to the public and volunteers, 38 showers were taken, and 9 loads of laundry were completed. SBTC will stand down their laundry unit at the end of day June 26. SBTC is prepping one of their cooling trailers for demobilization on June 27, this unit will return to the North Texas base.

The Salvation Army (TSA): In partnership with United Supermarkets, TSA provided food vouchers for impacted members of the community. They've also provided emotional support care (ESC) volunteers with 718 emotional support care contacts. Perryton Tornado: TSA staffed the CRC Friday and Saturday, handing out United Supermarket Vouchers to those affected. Supporting SBTC with food products has

been delayed till mid-week as other feeding partners are still in the area. Total Stats for Perryton - Meals 811, Drinks 815, ESC Contacts 945, Vouchers 207.

Matador Tornado: TSA of Lubbock deployed their canteen with a crew of 5 to Matador June 23, they have served sandwiches, drinks, and snacks to approx. 50 from the community. Lubbock TSA will continue to monitor and communicate with local officials.

Texas Search and Rescue (TEXSAR): TEXSAR provided needed assistance with food distribution.

Seasonal Relief Center Map: 200 cooling centers have been identified across the state. Cooling center locations are available on the TDEM website at [TDEM.Texas.gov/cool](https://www.tdem.texas.gov/cool).

FINAL COMMENTS: The State Operations Center (SOC) reduced the readiness level to Level III (Increased Readiness Conditions) as of 12:00PM June 26, 2023. The Texas Division of Emergency Management (TDEM) continues to monitor the situation and will provide additional situation reports as needed.

The four levels of SOC activation are:

Level I	(Emergency Conditions)
Level II	(Escalated Response Conditions)
Level III	(Increased Readiness Conditions)
Level IV	(Normal Conditions)

This Situation Report can be found on the TDEM webpage at:
